Pray for continued spiritual development of the leaders as we start up again and for the spiritual warfare that has surfaced in their lives this summer.	Pray that we could get back involved in Club Day at LHS. That was a way we had historically connected with a lot of kids.	Pray for some of our ministry partners: Lincoln Crisis Pregnancy, Christian Heritage, one80, Love Your Neighbor Connection.	Pray for students to feel engaged and connected early in the year, leading to lasting relationships through the course of the school year.	Pray for a smooth transition with the new teacher and an open door to get into the daycare more often.	Pray that God would give us courage to reach out and meet new students and raise up Christians that are passionate about reaching their school.

Pray for a continued good relationship with the school, as we are doing our club during their after school program.	Pray that I (Anthony) would come in contact with my future volunteers.	Pray for Sarah. This summer she attempted suicide and has had many struggles with her family and feeling loved by them.	Thank God for Pat Williams who has faithfully served at YFC for 35 years this month.	Pray for Brooklyn. As an intern this year, pray she continues to share her love and God's love with her summer Bible study girls.

Lift up Leila, Andi, Alexis, Ali, Shaylee, Haley, and others who said "yes" to Jesus this summer as they begin this journey with Him.	Pray that students would buy into what we're doing through Campus Life at East; we have the staff, we now need the kids to come!	Pray for our seniors this year as we challenge them to grow in their faith and invite younger students to participate.	Pray for volunteer leaders that will seek out meaningful relationships with our middle school kids.	Pray for the transition as we have shuffled staff a bit and have new leaders at Mickle.	Pray for deeper spiritual growth for the students currently involved and continued favor in relationships with the staff there.	Pray for connections with new students as I (Jessie) start in a new ministry.

Thank God for His provision this year and pray for the foster kids who have been attending.	Pray that God would open the doors for Campus Life to start at Park Middle School this semester.	We are wanting to start JJM in Omaha, pray for the hearts of leaders there to open the facility for ministry.	Ask God to continue to give us favor with the public schools we serve.	Lift up our volunteers that they would be strengthened for the work they do.
